

From status holder to Drechtsteden citizen!

Drechtsteden

I have received a residence permit and I am waiting at the AZC

I will be told that I move to 1 of the Drechtsteden municipalities

I have a digital conversation with the COA, the Drechtsteden Social Services (SDD) and Social Counselling about my arrival in the Drechtsteden

Arrangement day: I have an appointment to arrange all the basics for my relocation

The social counselling helps me with my practical questions. I also receive help with getting to know the municipality I live in.

The SDD ensures that my fixed costs get paid

I am moving to the Drechtsteden

I have a conversation about my learning route and receive my personal Integration and Participation Plan

I complete the welcoming programme successfully

I start with the welcoming programme and have a broad conversation intake with the SDD

I have an introductory conversation with the SDD (wide intake and welcoming programme)

The social district team from my community gives me extra help if that is needed

B1 route + Knowledge of the Dutch Society

Education route + Knowledge of the Dutch Society

Z-route + Knowledge of the Dutch Society

I start with my integration learning route!

I have a conversation about my financial affairs with the SDD

I follow the Module Labour Market and Participation at the SDD and follow the Declaration of participation process

I am established, integrated and self-reliant in Dutch society!

I passed my integration and receive my diploma or I have a final conversation about my learning route

I take a civic integration exam
